

Hello Church! Thank you soo much for being willing to participate in our Love our City week. We are so excited for this week and for what we can accomplish together. We are so excited for 6 churches to come together with a shared heart for families in our community. School supplies are essential for student success and we are thrilled to have your help in being able to support our schools by letting people know that the church is FOR them and we LOVE them. THANK YOU SO MUCH for your generosity and heart for others. Listed below is a number of supplies you can look into getting for families who need it. We also got a special request from the principal of Ridgeview for combination locks for students as well. You can drop these supplies off during the week at Bethel Road Presbyterian Church from 9am-5pm. We are hoping you can buy a backpack and fill it all or some of the supplies listed below (or as much as you can)

If you have any questions or if there is anything we can do please email us at any time! We love you guys and so thankful for you!

In Christ,

The Love Our City Team
